- ✔ It Would Limit Health Care Choice, Access and Quality - Providers Will Not Want to Work in Colorado
- ✔ Workers and Their Families Will Face Uncertainty About Coverage - There Are No Specifics About Coverage
- ✔ It Will Cost Colorado Jobs by Giving Colorado the Highest State Taxes in America - Companies Will Choose Not to Locate in Colorado
- ✔ It Won't Impact the National Cost Curve
- ✔ Seniors on Medicare and Service Members on Tri-Care Would Pay Taxes to Finance the Plan, but Receive No Benefits
- ✔ It Would Be Embedded in the State Constitution, Making it Extremely Hard to Repeal or Amend
