

## **Pain Management**

The Orthopaedic & Spine Center of the Rockies, PC (OCR) is seeking a fellowship-trained Interventional Pain Physician to join our esteemed team in 2025. This position will practice across our Longmont, Lafayette, and Westminster campuses. As the largest independent orthopedic practice in the region, OCR proudly serves patients from Colorado, Wyoming, Nebraska, and beyond.

As a Physiatrist, you will play a pivotal role in delivering comprehensive care to patients with musculoskeletal and neurological conditions focusing on clinic with EMG and in the Ambulatory Surgery Center (ASC) performing ESIs, RFA's, and other pain procedures. This position offers an excellent opportunity to significantly impact patients' lives while working in a supportive and collaborative environment.

### **Responsibilities:**

- Conduct thorough evaluations, diagnose, and develop individual treatment plans for patients with diverse musculoskeletal and neurological disorders.
- Implement evidence-based interventions, including physical therapy, medication management, injections, and assistive devices, to maximize patient outcomes and functional recovery.
- Collaborate with a multidisciplinary team of healthcare professionals, including physical and occupational therapist, sports medicine physicians, and orthopaedists to provide comprehensive care and ensure coordinated treatment.

### **Requirements:**

- Fellowship trained in Pain Management or Intervention Spine
- Board Certified or Board Eligible in Physical Medicine & Rehabilitation.

OCR ([Orthohealth.com](http://Orthohealth.com)) is a private, physician-owned medical group with nearly 100 providers, including 49 physicians. Offering a full spectrum of orthopedic subspecialties, including: Adult and Pediatric Spine Surgery, Athletic & Reconstructive Surgery of the Foot & Ankle, Hand & Upper Extremity Surgery, Hip Arthroscopy, Joint Replacement Surgery, Non-Operative Sports Medicine, Pediatric Orthopedic Surgery, Physical Medicine & Rehabilitation, Podiatric Medicine & Surgery/Diabetic Foot & Wound Care, Sports Concussion/Neuropsychology, and Trauma & Fracture Surgery

OCR was founded in 1969 (55+ years) in Fort Collins, CO, and has six medical campuses in Fort Collins, Loveland, Greeley, Longmont, Lafayette, and Westminster. OCR serves patients from the regions of Northern Colorado, Wyoming, and Nebraska.

OCR is a member of a large collaboration of 100 independently owned orthopedic specialty groups across 37 states ([Theorthoforum.com/about-us](http://Theorthoforum.com/about-us)). As a result of our exceptional quality of care, OCR is consistently ranked among the top practices in the United States.

### **Facts:**

- A physician-owned, vertically integrated private medical group established in 1969

- 6 Medical Campuses (Longmont, Lafayette, Westminster, Fort Collins, Loveland, & Greeley)
- 3 Ambulatory Surgery Center and 2 Recovery Center locations
- 3 MRI Centers
- 5 Therapy Clinics
- Outstanding benefits include health, life, dental, disability, relocation assistance, 401k plan, cash balance pension plan, & profit-sharing

Our vibrant communities are nestled in the foothills of the Rocky Mountains, providing easy access to world-class outdoor activities, including skiing, mountain biking, and hiking. Northern Colorado's blend of professional growth opportunities and a lifestyle immersed in nature, strong community, and cultural experiences makes it an ideal place to call home.
